## Wellness Modalities

### Red Light with PEMF Therapy:

Red light therapy combined with PEMF (Pulsed Electromagnetic Field) therapy is a treatment bed that uses both near-infrared light and electromagnetic fields to promote healing, reduce inflammation, and improve tissue repair on a cellular level.

**5 Sessions:** \$245      **10 Sessions:** \$390

**Opus Sound Bed:** OPUS™ is like a home gym for your heart. SoundBed™ uses vibroacoustic technology to deliver low-frequency vibrations throughout your body that quickly releases you out of a stress response .

**5 Sessions:** \$150      **10 Sessions:** \$200

**Hyperbaric Oxygen Therapy:** HBOT uses a hyperbaric chamber to increase the amount of oxygen that the blood can carry, which can be beneficial for various conditions, including wound healing, infections, neurological function, cognition and memory.

**5 Sessions:** \$400      **10 Sessions:** \$650
